## Sabbath School Pamphlet Circular

ABC Secretaries, Sabbath School Secretaries

Dear Friends,

Please find enclosed your two sets of order forms for your Sabbath School Pamphlets and Christian Imprints. It would be appreciated if you could fill in these forms and return the originals by the due dates. We are sending two sets of the Forms please retain a copy for your own records. Please do not send by fax.

We know that ordering so far ahead is very difficult but we have deadlines to place our orders with Signs Publishing.

Please note that Sabbath School Pamphlet orders must be on the forms supplied and must be completed for each quarter. There are no returns.

## Pamphlet Order

Your current Pamphlet Order Form will now be considered your **STANDING ORDER** for future quarters. There has been a great number of Churches neglecting to place an order for their pamphlets and now as Signs print only to order some churches have been missing out of Sabbath School supplies.

So if you wish to change your existing order the change must be on the Official Order Form. If you lose your copy then you may obtain a copy by contacting us or by going to our website: [www.nswabc.com](http://www.nswabc.com)

## Pre-School Bookshelf Catalogue

Attached is another exciting new Children's Bookshelf Catalogue for you to distribute amongst your church members. It contains book and DVDs suitable for pre-school children. Your support in distributing and promoting the catalogue would be greatly appreciated.

## Camp CD's and DVD's

As per usual we are still having problems with the Camp CD's and DVD's. We have not received the Master DVD's for the Connection Tent and the quality of the Herb Larsen's CDs are very poor, it was necessary to have them re-mastered and some still have problems.
